

ALIGNMENT 21/22

Spring Fair Chat

18:12:19

From Christiana Guppy : Toni Morrison said something along the lines that most women are wedging their creativity into little cracks in the day. But that it needs to be more of a commitment to ourselves.

18:13:36

From Lizz (she/her) : truth

18:15:19

From Martha McIver : I put the dates on calendar but not the actual blocks of time. ands it's not just for Alignment, but many other aspects of life. this is powerful!

18:15:48

From Kelli : This winter has been my first to understand within my body/bones the connection between life and death as a normal, necessary and beautiful part of our world. I accept now rather than fighting against the notion.

18:19:06

From Lizz (she/her) : Thank you for sharing that, Kelli.

18:20:12

From Julie Gibbons :
